Purpose

The purpose of this report is to request consideration of a supplementary report in the Committee of the Whole Closed Council regarding an opportunity to purchase a replacement/additional garbage truck at auction.

Background

The waste service trucks were initially included in the 2015/2016 plant replacement program. Council at its meeting on 15 December 2015 considered changes recommended by staff to the 2015/2016 Program and the replacement of the waste trucks was deferred for consideration in the 2016/2017 Plant Replacement Program.

An opportunity to purchase a domestic waste garbage truck at auction has been identified and is recommended for consideration.

RECOMMENDATION

That a report on an opportunity to purchase a domestic waste garbage truck be considered in Committee of the Whole Closed Council with the press and public excluded in accordance with Section 10a 2(c) of the *Local Government Act 1993*, as it contains commercial information of a confidential nature that would confer a commercial advantage on a person with whom Council may be conducting business.
