AUTHOR: *Special Projects Officer, Angela Shepherd*

Purpose

To obtain approval to affix the Council seal to the Deed of Agreement between Council and the Commonwealth for the Nymagee Airstrip project to replace the gable markers and the wind sock.

Background

Council was notified this month that the application under the Regional Aviation Access Program – Remote Airstrip Upgrade Funding Component was successful. As reported at the February 2014 Committee meeting, Council has been awarded \$14,345 in grant funding which will be matched with funds under the YTC Hera Mine Voluntary Planning Agreement.

Council has now been notified that that the funding agreement will require Council's Seal to be affixed. This report seeks approval for this to happen so the funding agreement can be finalised and works can commence.

RECOMMENDATION

That Council resolve to affix Council's Seal on the Deed of Agreement between Cobar Shire Council and the Commonwealth of Australia in relation to funding for the Nymagee Aerodrome under the RAAP Program.
